

**Town of Summit
Monthly Meeting
April 13, 2010**

Ed Pfaff called the meeting to order at 7:00 P.M.

Roll Call: Jim Miller, Ed Pfaff, Tammy Miller, Elaine Rollins

Public Attendance: Dan Ruetten, Rose Ruetten, Phil Spencer, Wayne Zietlow, Vince Kelly, Janice Kelly, Donald Nachreiner, Lois Nachreiner, Clyde Keller, George Jirousek, Christine Stogsdill, and Jerome Niemas.

Public Input: George Jirousek stated he thought the noise ordinance would be done by April. Ed explained that the committee put this on hold because the state passed a new ordinance and they were not sure how that would affect us. Ed also explained that he talked to legal counsel and we can put in our own noise and kennel ordinance. Ed will be getting the committee together again within the next month to discuss all of the difference options that are out there now to resolve this issue. George also said there were at least seven 16 inch grade shooting issues on his road. Ed said he would be taking a drive to look at this.

Don Polk presented a land survey of his land that is for sale on the corner of Fox and Waffle Rd. He had it resurveyed into smaller parcels. He wanted the boards approval to send it to the County. Ed told Don everything looked good from our end and that he should go ahead and send it to the County.

Donald Nachreiner asked what was going to be done with Green Rd. If it was not going to be closed then he felt the township should improve the road and maintain at least to the end of our township. Janice Kelly said that she would like to see the road closed because there was no sense in spending money to maintain it and then just give them an easement to their land. Ed explained that he would be looking in to this further. He would also have to talk with all land owners involved, then the procedure would be to have another meeting to discuss it, then send out a letter informing all land owners at least 30 days before the final meeting.
